Angela Emslie announced as AIST's Trustee of the Year

The Australian Institute of Superannuation Trustees (AIST) has announced **Angela Emslie** as the recipient of the AIST Trustee of the Year Award at the Conference of Major Superannuation Funds (CMSF) in Brisbane today.

Ms Emslie is currently an independent Chair of Hesta, having been first appointed to the Board in 1994. She has extensive experience as a professional Trustee Director, serving on a range of industry fund and related boards for over 20 years. This includes her role as a former president of AIST over 2014-15. She is currently director of the UN-formed Principles for Responsible Investors and Frontier Advisors.

AIST CEO Eva Scheerlinck said Angela was a very deserving winner, having made a huge contribution to the super industry, including taking on demanding voluntary roles.

"Angela has been a passionate advocate for fund members and the profit-to-member sector," Ms Scheerlinck said. "She is widely respected and has been a wonderful mentor to many in the industry, including myself, former AIST CEOs and staff."

Accepting the Award, Ms Emslie said it was a privilege to serve the members of HESTA and work as a trustee in the profit-to-member sector where – worldwide – the commitment to members was palpable.
